

# ONE IN THREE

women experience sexualized violence

Believe it. Change it.

on  
**NOVEMBER 19, 2008**

the Victoria Women's Sexual Assault Centre (WSAC) presents the second annual 1 in 3 campaign. This is a day for raising awareness, showing your support, and getting our community talking about sexualized violence.

Local businesses are supporting this campaign by handing out buttons, displaying information, and/or providing avenues for donations.

For more information or to get involved, call:
